Admissions Procedures

The governing board of The Yeshiva High School of Cleveland has adopted the following Admissions Procedures:

A hand-written or [online application](#) must be submitted for each child who seeks admission to the Yeshiva High School of Cleveland (YHSC). After a written application has been received, an interview for the child and his/her parent/guardian(s) will be scheduled with the school administration. During the interview, parents are taken on a tour of the school and provided with details about the academic and Judaic studies programs. Applications are then acted upon by an Admission Committee. The Yeshiva reserves the right to determine if a child would benefit from its educational program. In accepting a student for admission to YHSC, the admission committee will consider and evaluate to the best of their ability such details as family support and dedication to educational pedagogy and Judaic studies, student cooperation, student academic performance, and the student's motivation for attending. As the Yeshiva is an Orthodox Jewish school, all students must have at minimum an Orthodox Jewish mother. The Rabbinic Authority of the Yeshiva shall have the final determination as to anyone's Orthodox status if there is an issue. Each family will be notified by letter and email (if requested) of the Admission Committee's decision.

Non-Discriminatory Policy

“The Yeshiva High School of Cleveland recruits and admits students of any race, color or ethnic origin to all its rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, employment, scholarship and loan programs, and athletic and other school administered programs. In addition, The Yeshiva High School of Cleveland is not intended to be an alternative to court or administrative agency ordered, or public school district initiated, desegregation. The Yeshiva High School of Cleveland will not discriminate on the basis of race, color, religion or ethnic origin in the hiring of its certified or non-certified personnel.”

Vision and Philosophy

Yeshiva High School of Cleveland (Yeshiva) is committed to the success of our students in all aspects of life. This includes the development of strong academic and social skills, the ability to be self-sufficient, and the motivation to succeed in any endeavor our students choose. The Yeshiva has two fundamental aims: To provide a foundation for our students, who will then move on to institutions of higher learning and the wider professional world. Of equal importance, is to instill within our students a system of self-awareness that leads to character refinement, good ethics, and a strong value system.

The following commitments exemplify the Yeshiva's philosophy, otherwise known as the “Whole Child Approach” and the Yeshiva's commitment to its students and educational environment.

To ensure every student is healthy and safe. Our school facility and environment will support and reinforce the health and well-being of each student and staff member.

The physical school plant is attractive; is structurally sound; has good internal and external flow and is free of defects. The building is owned by the Jewish Federation of Cleveland.

The building will be inspected by the local fire department each year before the commencement of the school year.

To ensure every student is engaged and supported, Our school employs a blended-learning curriculum that utilizes cooperative and project-based learning strategies.

Teachers will build relationships with each student to support and encourage academic and personal growth.

To ensure every student is challenged. Our curriculum, instruction, and assessment practices will demonstrate high academic expectations for each student.¹

¹ ASCD.org recommendations for following “The whole child approach”

ACADEMIC PROGRAM of STUDY

The educational program at the Yeshiva is based on a dual curriculum of Judaic studies and *General Studies*. The Yeshiva’s *General Studies* curriculum and its implementation meet or exceed all Ohio Department of Education regulatory and graduation standards. Our Judaic studies curriculum follows the same guidelines, using the standards set in the leading rabbinical colleges and high school programs across the country. Our high school educational program is developed and implemented in accordance with the Ohio state-wide content & curriculum standards.

YHSC provides Ohio Department of Education approved, blended-learning, college-preparatory curriculum. This model provides both direct instruction with a teacher during every class period in addition to innovative, student-centered online activities and assessments.

DRESS CODE

Each student should arrive at school appropriately dressed. This includes tzitzits and no baseball caps or hoodies. Clothing should not have loud or large decals or pictures. Students will wear button down shirts and slacks; no blue jeans, joggers, or sweatpants are to be worn. Appropriate footwear is required—no slippers, sandals, etc. Every boy should have a jacket for davening. The student should maintain excellent personal hygiene.

ATTENDANCE POLICY

With our actions, we communicate very powerful messages to our children. One of the key ideas that we would like our students to internalize is that every moment of learning is precious. In addition, there is nothing that can replace the experience of learning the material in the classroom.

ABSENCES OR TARDINESS

Please call Rabbi Kutoff or email Mr. Matla before 8:30 a.m. if your student will be late or absent. If the phone is not answered, please leave a message.

Doctor's appointments and other medically necessary appointments should be scheduled outside of school hours. When a scheduling conflict is unavoidable, please contact the school at least 24 hours in advance. The student will need a doctor's note, including the date and the time of the appointment, for the absence to be excused. If picking up a student after 8:45 am, parents/guardians MUST email Mr. Matla or Rabbi Kutoff in advance of pickup. No student will be allowed to leave without proper authorization.

An absence for any reason other than those listed above shall be classified as unexcused. A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his teacher(s). All make-up work shall be completed within a reasonable time following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence. The principal or his or her designee may request written verification of a student's illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

School response to Absenteeism aka "The Fortnight Policy"

The Yeshiva expects excellence in attendance from all students, so the school maintains the following response/consequences for chronic absenteeism (below 70% attendance). Arrangements to return home must be made immediately upon notification of suspension or expulsion; students are not welcome back to on school grounds (or local student residence/housing for non-Ohio residents) until the duration of the suspension has occurred. All costs associated with returning home are the obligation of the family of the student.

Absent	Consequence
Below 70% after a consecutive fortnight	Documented Warning
Below 70% for any subsequent fortnight	Suspended for 1 week

Graduation Requirements

Students must reach the minimum credit hours mandated by the [Ohio Department of Education for Graduation](#) with a High School Diploma. Additionally, students must complete the required courses offered in the daytime Religious Studies program. Failure of either aspect will disqualify students from graduation. Grading Scale & Policy

Grades are evaluative and descriptive tools that help communicate what students have learned. Grades provide feedback to students on their individual understanding of and progression through a subject. Grades are seen and interpreted by families, teachers, administrators, and other stakeholders. When awarded in a consistent, equitable, and transparent fashion, grades serve the following purposes:

- Demonstrate students' level of understanding and skills in a subject
- Reveal areas of improvement and subjects still in need of support
- Inform teachers' curricular, instructional, and organizational decisions
- Identify which students need more assistance or differentiated learning
- Indicate whether a student passed or failed a course or subject at the end of a term
- Contribute to decisions about programming choices and post-secondary options
- Influence promotion decisions

Parents/Guardians will receive regular academic/conduct/attendance updates from the Principal. Additionally, official Grade Reports containing final semester grades are distributed to parent/guardians twice during the school-year: after the first semester (February 2024) and after the second semester (July 2024).

Grades are also available in real time via Gradelink. Please contact Mr. Matla for login information.

Official Transcripts may be requested at the following email address: Transcripts@yeshivahigh.org

All courses are based on a balance of formative and summative assessments – including midterm and final exams. Student coursework will be measured using the following 4.0 grading scale:

Percentage Grade					
97-100%	A+	77-79%	C+
94-96%	A	73-76%	C
90-93%	A-	70-72%	C-
87-89%	B+	67-69%	D+
83-86%	B	63-66%	D
80-82%	B-	60-62%	D-
			Below 60%	F

MAKE-UP WORK

In general, all work missed due to absence must be made up within three days after the student’s return to school. In the case of a missed test, it is the student’s responsibility to approach the teacher to arrange a makeup test. All work must be completed before the final day of each semester (1/29/2024 or 6/20/24) to earn credit for a course.

ACADEMIC HONORS

YHSC provides students with the opportunity to meet the Ohio Department of Education Academic Honors Diploma. High school students who exceed graduation requirements in Ohio are eligible to receive an Honors Diploma. There are three types of Honors Diplomas: (1) The Academic Honors Diploma requires a student to earn higher level credits or more credits in mathematics, science and social studies. Additionally, the student must earn world language credits and have a 3.5 GPA as well as either an ACT score of 27 or a SAT score of 1210.

YHSC Academic Honor Roll: To achieve the honor roll, students must earn at least a 3.0 gpa while maintain at least 2 units of course-work in a given semester.

YHSC Academic Honor with Distinction: To achieve the honor roll *with distinction*, students must maintain at least a 3.5 gpa while enrolled in at least 2 units of course-work in a given semester.

PARENT COMMUNICATION/RESOURCES

The staff will be in continuous contact with parents. Formal parent/teacher conferences will be scheduled individually as needed throughout the year.

Parents have access to the academic calendar and other online school updates on Gradelink’s Announcement page.

LEAVING SCHOOL GROUNDS

Students are not permitted to leave school grounds during the school-day; students are not permitted to leave for lunch or during breaks.

EMERGENCIES

Parents must provide the school with emergency contact information. In case of emergency, it is our procedure to call 911 first, and then parent/guardian. Regarding weather emergencies, the Yeshiva follows the school-closing decisions issued by the Beachwood City school district.

TECHNOLOGY-ELECTRONIC DEVICES

The school environment should be free of distractions for students to fully engage in their learning. Students may not bring any electronic devices, except cell phones or iPods, to school. Students will be issued laptop computers on which to work, but these are only made available to students during general studies hours. Students must leave their cell phones and iPods in the office at the beginning of the school day, and they can pick them up on their way out at the end of the day. Any time-sensitive phone calls can be made from the office during a break or as needed in the event of emergency.

COMPUTER AND INTERNET USE

Students will be provided with computers to be used in class and study halls for school purposes only. Direct supervision is required. The students are responsible for the care of their own devices. Parents are responsible for any damage caused by their student to the school computers; students who access inappropriate material online will be prohibited from in-school use. Please refer to the technology contract for more information.

PROHIBITED ITEMS

The following items may not be brought to school: vaporizers or smoking devices of any type, *matches, cigarette lighters, knives or other dangerous items*. Bicycles, skateboards, roller blades and other sports equipment may not be used inside the building or on the premises during school hours. These will be confiscated, and may be subject to additional discipline.

MEDICATIONS

All medications will be administered by the school administration. If a medication was prescribed by a doctor a doctor's note must accompany prescribed medication as to the dosage and time to be given. Parents will need to sign a medical release form to administer medicines such as over the counter drugs in school.

GUIDELINES FOR SCHOOL BEHAVIOR

2. Stealing/theft
